Motion

Proposer: Reinis Gi?s (JEF Europe)

Title: **A4-073-2: Distancing ourselves from Far-right and Radical-right organisations and individuals (FROIs).**

Motion text

Delete from line 73 to 83:

- ~~4. Decides that JEF Europe, its Secretariat and the members of its governing bodies shall not participate in any activity involving one or more organisations.~~
- ~~5. Considers that such activities include, inter alia:~~
- ~~(a) demonstrations and political events;~~
 - ~~(b) conferences, debates, round tables or other forms of exchange;~~
 - ~~(c) meetings with elected representatives, institutional partners or civil society organisations;~~
 - ~~(d) internal and external communication activities;~~
 - ~~(e) any other activity liable to affect the public image of JEF Europe, its sections or its members.~~

Reason

What do you mean that anyone in the governing bodies of JEF Europe can't participate in any other organisation's activities? People also are in political parties or other organisations where they want to participate and this is okay! If you meant that no one can participate in nationalist and far-right organisations and activities, please say so by paraphrasing all of this. But as it stands its not right!
