

A3-008

Motion

Proposer: Patrick L. von Wildenradt (AB)

Title: **A3-008: Financial guidelines for hosting
statutory events**

Motion text

From line 7 to 9:

that hosting sections contribute meaningfully and reliably to the events they propose to organise, ~~rather than deferring financial responsibility~~ and to ~~JEF Europe~~ at ensure that hosting responsibilities are carried out in a late-stage financially responsible way for both the hosting section and JEF Europe.

Reason

I propose this change as I believe the current text unnecessarily put a blame on hosting sections.
