Title: **A11-041: For a common migration and asylum policy**

Motion text

From line 41 to 42:

9. ~~Noting~~ Welcoming the ~~successful conclusion and adoption of~~ increased solidarity among Member States in the EU Pact on Migration and Asylum, which will become applicable as of mid-2026, and acknowledging the

Reason

We don't really support all the ideas within the pact, like the new screening and border procedure which will decrease the asylum seekers opportunity to be heard and complain about the decisions. Also enforced returns (return regulation) and partnerships with third countries are very closely linked to the pact and therefore we wouldn't call it succesfull implementation that we are looking forward to. However, the increased solidarity is welcomed.
