Proposer: Reinis Gīsis (JEF Europe)

Title: **A11-157: For a common migration and asylum policy**

Motion text

From line 156 to 159:

11. Demands that the European Border and Coast Guard Agency (Frontex) operates in full compliance with EU values and fundamental rights, and that the ~~agency's legal responsibility for pushback operations, as affirmed by the Court of Justice of the European Union, is fully respected and enforced;~~ agency follows the legal steps of admitting and processing assilum seekers;

Reason
