

A11-191

Motion

Proposer: JEF Italy/GFE

Title: **A11-191: For a common migration and asylum policy**

Motion text

From line 191 to 195:

23. ~~Mandates~~ Calls on the EU to ~~review and renegotiate~~ avoid externalisation agreements with third countries, ~~including the EU-Türkiye deal and to review and renegotiate the Memorandum of Understanding with Tunisia, ones it already signed,~~ to ensure they fully respect the 1951 Geneva Convention, include binding human rights clauses, and provide for independent monitoring and accountability mechanisms;[Space]

Reason

Externalisation is a practice to be avoided in order to move toward a truly European and effective migration policy
