## Motion text

From line 225 to 227:

9. ~~If you do~~In instances where one does not feel comfortable reporting to ~~the~~a Contact Person, ~~if you does not feel your~~feels their rights have not been ensured, or ~~if you have any complaints, please~~has other complaints related to the CofC, they are encouraged to contact one of the Permanent Contact Persons~~;~~;

## Reason

Improved amendment of the one previously submitted by Gergana. Here, the same idea applies to aim for a more impersonal, but still very clear formulation.
