Title: A1-308: JEF Europe Code of Conduct

Motion text

From line 315 to 321:

The Code of Conduct applies to every member of JEF Europe and every participant in a JEF activity, regardless of their role in the organisation. If ~~you observe~~ participant observes or experiences behaviour that concerns ~~you~~ them, or that may represent a violation of our Code, ~~please~~ they are urged to raise the issue with one of the Contact Persons promptly, provided ~~you~~ they feel comfortable doing so. ~~You~~ They may choose to report anonymously or be accompanied by a person ~~you~~ they trust when making a report. This will allow JEF Europe an opportunity to deal with the issue and correct it, ideally before it

Reason

Same principle as mentioned previously. Impersonal style while aiming for the greatest possible clarity.
