Title: **A11-068: For a common migration and asylum policy**

Motion text

From line 68 to 71:

~~15. Regretting that the EU has given billions of euros to Türkiye since March 2016 to detain migrants and refugees in degrading conditions, while acknowledging that the agreement helped to control migration streams at its peak;~~ 15. While acknowledging that the flow of migrants was on an unrepresented level in the years of 2015 and 2016, regretting that the EU has given billions of euros to Türkiye to detain migrants and refugees in degrading conditions;

Reason

This way we don't give credit for the eu-tr deal for helping during the difficult times but only acknowledge that the situation was challenging but this was not the way to solve it
