Title: **A11-103: For a common migration and asylum policy**

Motion text

Delete from line 103 to 105:

~~25. Welcoming the European Commission's first European Asylum and Migration Management Strategy, presented in early 2026, which sets out a five-year framework to support Pact implementation;~~

Reason

As already mentioned the Pact includes controversial files which we don't agree on (border procedure). This strategy also mentions return hubs and their implementation and therefore, we really cannot welcome it
