Title: **A11-041-2: For a common migration and asylum policy**

Motion text

From line 41 to 44:

~~9. Noting the successful conclusion and adoption of the EU Pact on Migration and Asylum, which will become applicable as of mid-2026, and acknowledging the decrease in irregular arrivals and asylum applications recorded in 2025, which has created a window for effective implementation;~~

9. Deploing the adoption of the EU Pact on Migration and Asylum, which will become applicable as of mid-2026, and which does not establish a fully common management of migration flows that places at its core the safeguarding of human life and dignity;

Reason

The EU Pact on Migration and Asylum doesn't really fit federalist values
