

A13-094-2

Motion

Proposer: Alex Weber-Herrmann (JEF Germany)

Title: **A13-094-2 to A13new: Patching the holes in the EU fabric: a federal Switzerland in a federal Europe**

Motion text

Insert from line 94 to 95:

1. Urges Switzerland to join the EU in order to fill the current democratic gap and enjoy the benefits of EU membership;

2. Encourages Switzerland to pursue the process of European integration and to ensure the successful ratification of the Bilaterals III package through its

From line 97 to 98:

23. Suggests that Switzerland join Liechtenstein, Iceland and Norway in the EEA in the short term as a possible first step toward EU membership, while

Delete from line 101 to 102:

~~3. Urges Switzerland to join the EU in order to fill the current democratic gap and enjoy the benefits of EU membership;~~

Reason

Switzerland joining the EU should always be the priority
