**Title:** A13new3-106: Patching the holes in the EU fabric: a federal Switzerland in a federal Europe

## Motion text

**From line 106 to 110:**

~~4. Calls on Switzerland and the EU to conclude as soon as possible a comprehensive package settling essential institutional issues such as dynamic incorporation of evolving EU legislation and an efficient dispute-settlement mechanism; welcoming that the Bilaterals III package, signed on 2 March 2026, achieves these objectives;-~~

4. Calls on Switzerland to join the ERM II mechanism following accession and to adopt the euro once the convergence criteria have been met;;
