Title: **A12-079: Future of the Eastern Partnership: a new European strategy for the East**

Motion text

From line 78 to 80:

regime's complicity in the forced deportation of Ukrainian children; and the **weaponisation** **instrumentalisation** of migration as a hybrid warfare tool, and strongly condemning the continued brutal response of the authorities against the opposition, now largely

Reason

The term weaponisation deeply objectifies migrants and describes them as weapons which is a common rethoric used in securitization. While instrumentalisation is not a perfect expression either, it has a less negative and dangerous connotation to the migrants themselves who are always the victims in these situations.
