Title: **A5-011: On the management of the multilingual JEF web magazine**

Motion text

From line 10 to 12:

in 2005;

? Proud of the achievements of the JEF web magazines, today available in ~~four languages~~; six languages and providing an additional multilingual space for articles in other languages [1];

From line 37 to 41:

? **Convinced of the benefits of close cooperation between the language editions of the web magazines**, taking forms such as mutual translation of articles, sharing of resources, and joint editorial initiatives;[Space]

[1] English (The New Federalist), French (Le Taurillon), German (Treffpunkteuropa), and Italian (Eurobull), Finnish/Swedish ((Tähdistö).

Reason

Reverting back to the previous version, and recognising that despite the differences between the magazines, the magazine of JEF Finland is an integral part of the JEF

Magazines family
