# Motion

**Proposer:** Reinis Gīsis (JEF Europe)

**Title:** A6-069: Regarding multi-speed Europe

## Motion text

From line 68 to 69:

f. Abolishing the requirement for unanimity in all Council decisions regarding the core ~~group~~; group and pushing other Member States to abolish unanimity in other tiers of the Union;

## Reason

We need to abolish unanimity in all of Europe as much as possible. Maybe the PC can phrase it differently :)
