

A6-062

Motion

Proposer: JEF Netherlands (decided on: 04/16/2026)

Title: A6-062: Regarding multi-speed Europe

Motion text

From line 61 to 62:

b. Creating a fiscal capacity with a dedicated budget, the federal right to levy taxes and the authority to borrow on capital ~~markets;~~markets within the framework of the federal budget;

Reason

The Commission may already borrow on capital markets; the issue is that the proceeds from borrowing cannot be included in the Union budget.
