

A6-050

Motion

Proposer: JEF Latvia

Title: A6-050: Regarding multi-speed Europe

Motion text

From line 49 to 53:

4. Demands that the European Council and the European Commission ensure that any ~~sort of new cooperation to be of an inclusive nature of enlargement, without allocating a secondary status for the outer tier, and that all candidate countries can become part of it~~ new form of differentiated cooperation is inclusive in nature and open to enlargement candidates, if they wish, providing that they meet the relevant criteria;

Reason

I broke my brain trying to grasp the text
