Title: A6-050-2: Regarding multi-speed Europe

Motion text

From line 49 to 52:

4. Demands that the European Council and the European Commission ensure that any sort of new cooperation ~~to be of an inclusive nature of enlargement, without allocating a secondary status for the outer tier,~~ is of an inclusive nature of enlargement, and that all candidate countries can become part of it, if they wish, providing that they meet the
