

A8-054

Motion

Proposer: Mirko Ondras (JEF Switzerland)

Title: **A8-054: Regarding the Protection of the Rule of Law**

Motion text

Insert from line 53 to 55:

law and solid democratic structures.

? Inspired by the EP resolution of 22 November 2023, where the amendment 11 proposes that the Council, acting by qualified majority, the Parliament, or the Commission may submit an application to the Court of Justice regarding serious and persistent breaches of Article 2 values.

Delete from line 78 to 84:

6. Demands that all Member States formally acknowledge the primacy of EU law, while ensuring that ECJ judgments are directly applicable and binding.[Space] ~~2) Points 1 and 2 are inspired by the EP resolution of 22 November 2023. Amendment 11 proposes that the Council, acting by qualified majority, the Parliament, or the Commission may submit an application to the Court of Justice regarding serious and persistent breaches of Article 2 values Source: European Parliament resolution of 22 November 2023 (2022/2051(INL))~~

Reason

Moving the point from an operating clause to an introductory clause, where it is better suited.
