Title: **A9-068: Strengthening and Safeguarding Free Movement within the European Union and the Future of Schengen**

Motion text

From line 67 to 68:

the Eurozone”, “Strengthening European Citizenship Education”, “Patching the holes in the EU fabric: a federal Switzerland in a federal Europe”.[Space]

? Recognising that the Schengen area has enabled the free movement of persons across internal borders, while law enforcement and judicial authorities remain largely constrained by national jurisdictions, creating enforcement gaps that can be exploited by criminal networks and terrorist actors;
