

A10-143

Motion

Proposer: JEF Netherlands (decided on: 04/16/2026)

Title: **A10-143: Towards a green, globally competitive and digital European industry**

Motion text

Insert from line 142 to 143:

technologies, ensure European ownership of critical assets, and reduce dependency on non-European capital and investors.

16. Calls for the strategic integration of open standards in key industrial sectors and urges the European Commission and Member States to provide targeted support, including funding, training, and regulatory incentives, to facilitate their adoption, with a focus on SMEs

Reason

This is the operative clause to the preambulative clause that we suggested previously. It thus has the same reasoning.
