A6-195

Motion

Proposer: JEF Finland

Title: **A6-195 to A6new2: FC/EC Zero Declaration - Internal Resolution.**

Motion text

From line 198 to 201:

The Host Section ~~shall prioritise local~~may favourlocal suppliers who use ingredients that are available within the current seasonal market cycle, where available. ~~To minimise transport emissions, preference shall be given to providers~~Providers located in close proximity to the venues may be preferred.

From line 205 to 212:

It is recommended that food be distributed via individual meal containers to minimise food waste. In this case, the Host Section ~~shall mandate that all individual~~should prefer containers ~~are~~ made from certified compostable, biodegradable, or reusable materials, where available.
In case food is provided in a buffet style, the Host Section ~~shall~~is encouraged to ensure that there is no overproduction, while any excess food must be stored in individual containers for the participants or ~~to be~~ given to people in need through partnerships with local NGOs, where legally and practically possible.

From line 214 to 217:

be reused for subsequent days of the FC or European Congress. Surplus food that remains safe for consumption ~~shall be given to local social organisations or food banks. The Host Section is required to establish prior communication with these partners.~~may, where legally and practically possible, be donated to local social organisations or food banks.
