A6new2-032-3

Motion

Proposer: JEF Italy/GFE

Title: **A6new2-032-3: FC/EC Zero Declaration - Internal Resolution.**

Motion text

Delete from line 31 to 33:

conditions of JEF Europe's National Sections, and **AFFIRMING** that no section should be disadvantaged in hosting a Statutory Event due to these conditions.[Newline]

Delete from line 96 to 98:

The Mobility Emission Tracking Protocol (METP) is hereby established as the ~~mandatory~~ standard for assessing transport-related emissions for all Host Sections. This Protocol shall apply exclusively to the primary statutory

From line 105 to 108:

The primary data-gathering phase of the METP ~~shall be integrated into the Open Call for Participants. The official application form for every FC and Congress shall require applicants to declare their intended departure hub and primary mode of transportation,~~

~~including for their return.~~**will be conducted through the inclusion of questions in the Open Call For Participants generated by the JEF Europe for national delegates and observers to collect data about their intended departure hub and primary mode of transportation, including for their return.**

.

From line 114 to 119:

JEF Europe must ensure that this data promptly becomes accessible to the Hosting Section when it becomes available~~, in accordance with all related data protection laws and regulations.~~

~~Within fifteen (15) days of the event's conclusion, a voluntary validation survey shall be circulated to participants to account for any changes in travel plans (actual vs. projected).~~.
