Title: **A3-172: For a More Inclusive Europe**

Motion text

Insert from line 171 to 172:

18. initiatives to make higher education more accessible and affordable for people coming from marginalised backgrounds;

19. Calls on the EU Institutions and Member States to address structural accessibility and mobility barriers facing young people living in island, peripheral, and outermost regions, ensuring equal access to EU youth programs, higher education and democratic participation tools.

Reason

an explicit call for the EU to advocate for peripheral youth inclusion
