**A5-137**

# Motion

**Proposer:** JEF Finland (decided on: 10/31/2026)

**Title:** **A5-137: Building Democratic International Institutions Towards a World Federation**

**Motion text**

**Delete from line 135 to 138:**

15. For JEF Europe itself to strengthen its cooperation with ~~the World Federalist Movement,~~ ~~**the Young World Federalists, the federalists group around the world**~~ ~~and other~~ youth-led federalist initiatives to tackle ongoing and emerging global challenges by promoting peace, sustainability,

**Reason**

Naming specific organisations in a resolution is not necessarily useful nor according to general practice. A more open statement would work better in this particular case. It also allows for more diversity since any listing of organizations would be incomplete.
