A1-011

Motion

Proposer: Moritz Hergl (JEF Europe)

Title: **A1-011: Regarding the European Federal Parliament**

Motion text

Insert after line 11:

- Acknowledging that a genuinely democratic European federation requires a European government that derives its legitimacy from directly elected representatives of European citizens, and that the Spitzenkandidaten system strengthens such transnational democracy;

Reason

passed in the PC meeting (resubmission because of split of the amendment)
